ALLEGRIA

THE FESTIVE WINE

A refined expression of this great Languedoc grape variety on our volcanic terroir.

THE WINE'S STYLE

We are passionately fond of this forgotten – and sometimes misunderstood – grape. This wine captivates with its tension and balance, its notes of black olive and garrigue, its gourmand character and long finish. A rarity to be enjoyed for many years to come.

THE LITTLE EXTRAS OF THE VINIFICATION

While Carignan can sometimes surprise with a certain rusticity, we chose the gentlest possible vinification to bring balance and length.

What we seek is the grape's vibrant energy and aromatic freshness. The vinification is very soft: we favour infusion over extraction.

THE DETAIL WE LOVE

This Carignan vine, soon to be 50 years old, is a true gift of nature: every year, whether the climate is dry or very dry, it offers its fruit generously. It is the most faithful parcel, the one best suited to the Mediterranean climate of the Domaine.

THE PERFECT MOMENT

Perfect with a daube aux olives for a simple yet powerful moment of pleasure.
