ALLEGRIA

THE INFUSION

Allegria's new ephemeral cuvée for the summer. An elegant, crisp infusion of Carignan and Grenache, full of freshness and fruit.

THE WINE'S STYLE

The colour is a pale red, halfway between a rosé and a red.

On the palate, it's an explosion of strawberries and raspberries.

THE LITTLE EXTRAS OF THE VINIFICATION

We allowed the whole bunches to infuse, with a short one-week maceration at 18°C to avoid extracting tannins and to preserve those overflowing aromas of wild strawberries and raspberries.

THE DETAIL WE LOVE

A small anecdote: the reference to tea is a nod to our travels in India, where street vendors shout Chaï Chaï on the trains.

THE PERFECT MOMENT

A beautiful summer evening as an apéritif, served chilled between 13 and 14°C.
