ALLEGRIA

THE GREAT WINE

We have poured the very best of ourselves into it. Our finest parcel of Syrah and a touch of Mourvèdre.

THE WINE'S STYLE

La Belle Histoire is our most accomplished wine.

On the nose, notes of ripe fruit and toasted aromas.

On the palate, a purée of red fruits and an exceptional length.

Enjoy a few bottles today and cellar the rest to rediscover this fine wine for ageing in 8 to 10 years.

THE LITTLE EXTRAS OF THE VINIFICATION

For barrel ageing, we selected the Hungarian cooper Kadar in Budapest. The continental, cold climate of Hungarian forests produces oak with very fine tannins, thanks to its slow growth – an ideal wood to bring complexity and elegance to La Belle Histoire.

THE DETAIL WE LOVE

DIAM corks were used to ensure a tasting free from cork taint.

THE PERFECT MOMENT

The greatest pairings are often found in simplicity: with a thick rib of beef grilled over vine cuttings. Ten years of cellaring will give this wine an additional soulfulness.
