ALLEGRIA

THE MAGICAL ADVENTURE

The magical touch of Grenache Noir, vinified without added sulphites.

THE WINE'S STYLE

On the palate, the wine is generous and full, with a taut, energetic finish.

The volcanic terroir brings great elegance and freshness, contributing to its excellent ageing potential.

A very natural wine, vinified without added sulphites, yet also a delicate one that should be kept in the coolest cellars.

THE LITTLE EXTRAS OF THE VINIFICATION

This is the very first time we have vinified this great Mediterranean grape variety. We had been looking forward to it, as Grenache is known for producing wines remarkable for the silkiness of their tannins.

THE DETAIL WE LOVE

No printed label for this cuvée, but a luggage tag bearing its name, an original way to honour the departure of three of our grown children who have left to live their own Life Adventure across Europe and the world.

THE PERFECT MOMENT

With lamb and prunes, or even for dessert with a chocolate cake.
