

LE BIENVEILLANT

White wine | IGP Pays d'Hérault | Grenache Blanc

Organic wine

ALLEGRIA

THE RARITY

An old Grenache Blanc, inherited from an elderly winemaker in the village, gives birth to this exceptional wine produced in ultra-limited quantities.

THE WINE'S STYLE

This wine delights with its very pale, almost transparent colour, characteristic of Grenache Blanc. On the palate, citrus notes dominate, particularly lemon and cédrat. The mouthfeel is long and generous, with remarkable complexity.

This combination of great aromatic freshness and richness on the finish is the hallmark of this fine wine.

THE LITTLE EXTRAS OF THE VINIFICATION

This cuvée is rare: 1,200 bottles produced, drawn from two 500-litre barrels.

THE DETAIL WE LOVE

This exceptional parcel was entrusted to us by Jean-Louis, a winemaker from our village, aged 86. Seventy harvests in a lifetime of viticulture that began at 16! A phenomenal memory, an infectious kindness, always benevolent. This cuvée is a tribute to our friend Jean-Louis, who has since passed away.

THE PERFECT MOMENT

With a pan-seared dish of scallops, lightly snacked and finished with a sprinkle of lemon zest.
