JOYFUL AND CRUNCHY

One of life's little pleasures.

THE WINE'S STYLE

This vibrant, crunchy red is a delicious co-fermentation of Syrah and Grenache. Still young, yet already wonderfully gourmand.

On the nose, spicy aromas; on the palate, a supple and harmonious wine with red fruit notes.

There is no reason to let this lovely bottle fall asleep in your cellar, it deserves a place on your table today. Best enjoyed with simple, flavourful dishes.

THE LITTLE EXTRAS OF THE VINIFICATION

While Syrah and Grenache are usually harvested 8 to 10 days apart, here both grape varieties were picked and vinified together to play on their complementarity: the spiciness of Syrah and the silkiness of Grenache.

THE DETAIL WE LOVE

A new label for this joyful wine. Like a firework bursting with happiness.

It also features the flowers we chose to plant this year at the Domaine, the very ones that will brighten the tables of our ephemeral Table Vigneronne this summer.

THE PERFECT MOMENT

So delicious already, why wait? Best enjoyed with simple and tasty dishes.
